Conditions of Sale

Entry to this event is by **eticket** so please bring this eticket with you when you come along to the venue. It is your responsibility to keep this eticket in a safe place as you would money or regular tickets. **If this eticket is copied, it will be invalidated by the venue's security system preventing entry to the event.**

If an Event is cancelled, your booking will be refunded in full, less any refund fees that may be due, delivery fees or telephone service fees. If details of the Event are significantly changed after a booking is placed - significant changes being a change of headline act (concerts only) - or if an Event is moved from its advertised venue or the date is changed, tickets already purchased may remain valid should you wish to attend the revised Event. If not, your booking will be refunded in full less any fees stated above. Some Event Organisers will explicitly stipulate that cancellation due to weather, act of God or any other unavoidable eventuality will not result in a refund. If such terms were applied when the booking was made they shall prevail over the standard Terms and Conditions above, meaning that no refund will be due. Tickets cannot be exchanged, refunded or replaced if lost as the varying exchange and refund policies set forth by individual Event Organisers prohibit TicketSource from doing so. Under circumstances where an exchange or refund is desired, you should contact the Event Organiser directly as they may, at their discretion, agree to your wishes. TicketSource will under no circumstances be responsible for any remedy for inconvenience, consequential expenses incurred or any other loss or damages resulting from the cancellation of any Event. See www.ticketsource.co.uk for full Terms and Conditions.
