

Ticket Confirmation - Thanks for buying tickets with WeGotTickets.

Booking reference: t10051800138557b1

Named ticket holder: Arron Ware

You bought 1 ticket for **MISTAKEN FOR STRANGERS - OCTOBER '22** at Manchester Peer Hat, 14-16 Faraday St, Manchester, M1 1BE, on Fri 14th Oct, 2022.

General Admission. Door time: 11:00pm. Start time: 11:00pm.

Important info about your tickets

- To gain access to the event, you must present this ticket confirmation at the door/gate. Simply save it to your mobile device and take it with you to the event.
- The **Named Ticket Holder** should bring photographic ID.
- At the door/gate, you may be asked to confirm your name and Booking Reference.
- Only the **Named Ticket Holder** and the appropriate number of people accompanying them will be admitted to the event.
- If you've booked a concessionary ticket, you'll be asked to provide proof of eligibility.
- Your event may be age restricted - please check, if it is make sure that all members of your party can prove their age.

Reallocation

- You can reallocate tickets for some events via your www.WeGotTickets.com account, so if you're not coming to the event yourself please make sure you reallocate them to those who are.
- Similarly, if members of your party are arriving at the event at different times you'll either need to reallocate tickets to them in advance, or meet outside the event.
- If you do not have an account with us, you will not be able to access the reallocation system for this event. If you checked out as a guest then you can create a WeGotTickets account from the Login page on our website - just select the "Recover guest purchases" option.

Resale

- Tickets must not be resold for profit.
- If you have bought this ticket(s) from any source other than www.WeGotTickets.com it will be invalid.

Reduce carbon emissions - do not print this ticket confirmation

- When a ticket confirmation is printed it produces 400 times more carbon than if it wasn't.
- If you'd bought a ticket that was sent in the post it would produce 1000 times more carbon than our system.
- WeGotTickets could ticket Glastonbury and emit less carbon than a printed ticket event at your local 200 capacity venue would.
- By not printing this ticket confirmation you'll be saving time, money and the environment.
